

LIFE SAFETY INSTRUCTIONS

DO NOT REMOVE

Instructions must remain visible at all times.

.....
IN CASE OF EMERGENCY, DIAL 911 FROM YOUR CELL PHONE OR LAND LINE.

State that you are calling from Davidson College, and that your on-campus location is

.....

Assault or Sexual Assault

- ◆ Call 911, and state your location.
- ◆ If you're uncomfortable calling 911, call the Student Health Center (704-894-2902) or the student-run Davidson College First Responders (704-439-7834).
- ◆ Be prepared to describe the person(s) involved.
- ◆ To preserve evidence after a sexual assault, do not bathe or change clothes.

Bomb Threat

- ◆ Take the threat seriously.
- ◆ Call 911, and state your location (above).
- ◆ If there is indication of immediate danger, evacuate the area immediately and move at least 100 yards away.
- ◆ If the threat is on paper, do not touch it.
- ◆ If the threat is received by telephone, keep the caller on the line and gather as much information as possible. Do not interrupt the caller. Do not transfer the call. If possible, check caller ID and make note of the number the call is coming from.

Crime in Progress

- ◆ Do not intervene.
- ◆ Call 911, and state your location (above).
- ◆ Be prepared to describe the people and vehicles involved.

Fire

- ◆ Pull the nearest fire alarm and start an orderly evacuation.
- ◆ Close doors as you exit, to confine the fire.
- ◆ From a safe location, call 911 and state your location (above).

Gunfire/Active Shooter

- ◆ Remain calm, and focus on getting out of danger.
- ◆ Go to a room that can be locked. Secure the room, and turn off lights. Stay on the floor, away from windows. Stay in the room until officially notified that it's safe to leave.
- ◆ Do not confront the shooter.
- ◆ As soon as possible, call 911 and state your location (above).

Hazardous Material/ Gas Leak

- ◆ Evacuate.
- ◆ Pull the nearest fire alarm.
- ◆ From a safe location, call 911 and state your location (above).

Medical Emergency

- ◆ Call 911, and state your location (above).
- ◆ State name, location and condition of patient.
- ◆ Do not attempt to move the patient.
- ◆ If possible, have someone meet emergency personnel to direct them to your location.

Tornado/Hurricane

- ◆ Stay inside with doors and windows closed.
- ◆ Proceed to basement or interior room on lowest floor. Stay away from windows.
- ◆ Listen to radio or TV for more information.
- ◆ Stay in the room until you're informed that it's safe to leave.
